BEHAVIOR MANAGEMENT

It is the Y's goal to provide a safe, secure, and healthy environment for all children who attend our program. The Y program emphasizes the six core values when working with students who attend our program:

- To respect all students and staff
- To take responsibility and be accountable for one's own actions
- To make honesty the basis for all relationships and interactions
- To care for ourselves and those around us
- To treat each other equally despite our differences
- To include all students in program activities

Counselors have a support network of supervisors to aid them in certain situations or concerns that may arise.

If a solution is not found, the camper will be sent home and there will be no refund of camp fees.

In certain circumstances, we will be forced to withdraw children from our camp. Depending on the severity of the circumstances, notice and may be waived. Refunds will not be issued in this instance. The following circumstances may warrant immediate termination:

Any destructive, violent behavior by a child that is harmful to the child, other children, staff and/or property
